Section 6.2.2

Page 6-7

Figure Table Table 6.2-1

Category Name Status-Data Management

Actionee HAIS

Sub Category

Subject LIMGR CSCI Interfaces

Description of Problem or Suggestion:

Several LIMGR interfaces show output of 'none'.

Originator's Recommendation

Should return status indicator.

GSFC Response by:

GSFC Response Date

HAIS Response by: Eisenstein

HAIS Schedule

HAIS R. E. Codella

HAIS Response Date 6/5/95

Table 6.2-1 indicates "none" in the output column for functions which return only status information. This is inconsistent with other tables in section 6 which do list specific status indicators and will be corrected in the next update to DID 305.
