Figure Table NA

Category Name Status-Interoperability

Actionee HAIS

Sub Category

Subject Verification of Advertisements

Description of Problem or Suggestion:

There is no requirement for verification of Advertisements. Who enforces the "truth in advertising" laws?

Originator's Recommendation

HAIS Schedule

HAIS R. E. Winston, Evan

HAIS Response Date 7/28/95

Only authorized, 'trusted' users and servers will be allowed access to request the posting of an advertisement. The posting will be forwarded to an administrator at the hosting DAAC. Operations policy will specify procedures to allow this posting to become public. A site Quality Control (QC) policy can enforce the truth in advertising standards. This could include checking of the advertisement by QC personnel and through user feedback from user accesses to the advertisement service.

Status **Closed**
